REASONS FOR ALLOWANCE

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on May 20, 2004 has been entered.

The following is an examiner's statement of reasons for allowance: The information disclosure statements filed May 20, 2004 and July 21, 2004 have been carefully considered, but the references cited therein do not affect the patentability of the pending claims in this application. While the references cited in the information disclosure statements show various coatings and treatments of substrates, the cited references are not more relevant than the art which was already of record in this application and overcome during the prosecution. The specific combination of materials required by the pending claims is not disclosed or made obvious by the references cited in the information disclosure statements. Claims 57-116 are allowable.
